

TITLE: MAKE TIME TO MAKE SURE - COWORKER

LENGTH: 30, 15

30-SECOND

WOMAN (40s): I got my mammogram last week, and I told my coworker it's her turn now. As women, we need to look out for each other. So I offered to cover her shift so she could take care of her own health.

FEMALE ANNCR: If someone you care about is 40 or older, ask her to talk to her doctor about getting screened for breast cancer. She may qualify for a free screening from the Utah Department of Health. Visit [Cancer Utah dot org](http://CancerUtah.org) to learn more.
